Office of the Revenue Commissioner in Mysore,

Dated Bangalore, 6th September 1929.

V.P. 50-29-1

Dear Mr. Narayanaswami Iyengar,

In forwarding herewith, a copy of letter dated 5th instant, received from the District Economic Superintendent, Bangalore District, in the matter of funds etc. required in connection with the exhibition of matters pertaining to Village Improvement Rural Reconstruction work etc. at the Village Panchayet Court at the ensuing Dasara Exhibition, I write to state that considering the urgency of the matter, I have asked Mr. Rangaswami, Economic Superintendent, Bangalore District, to proceed with the preparation of films incurring, in anticipation of sanction of Government the cost which is expected to be within one thousand rupees. I request that orders of Government may kindly be obtained sanctioning the funds asked for in this office letter on the subject, and the same communicated to me at an early date.

2. In this connection, I may add that Mr. Mohamed Ismail Sheriff, my assistant, who has been closely attending to the work connected with the Village Panchayet Court from the commencement, stands transferred to Mysore, and is handing over charge on Monday next. As he has been in touch with this work from the beginning, I intend asking him if the Government approve of it to continue to associate himself with this work in addition to his own duties. As his Headquarter also is Mysore, I think no extra cost is likely to be involved. He and Mr. Rangaswami, under the orders of the Revenue Commissioner, and with the funds to be placed at their disposal, are likely to make this Court a thoroughly representative one. In the alternative, Mr. T. Rangaswami alone will be requested to attend to the entire work consulting Mr. Ismail Sheriff whenever necessary under the direct supervision of the Revenue Commissioner.

3. Another point that has been brought to my notice and which I wish to state here, is that at the time I wrote to you in the matter asking for a grant of Rs 3000/- from Village Panchayet

Funds, and Rs 500/- from Exhibition funds, no provision was made for construction of stalls or shed for it, as it was considered that covered space may be available. As it is now proposed to have an entirely separate Court just at the entrance of the Exhibition, it is necessary to provide some funds for putting up a decent Court in keeping with the Exhibition surroundings, also keeping up a distinctly rural atmosphere. I am informed that Mr. Krumbiegel considers that a Court of this kind is likely to cost about seven to eight hundred rupees. This expenditure may be additionally sanctioned, the cost being met equally out of the grant for Village Panchayets to the Revenue Department and the Exhibition Funds. If the Exhibition Committee is not prepared to share the cost, the whole sum will have to be charged to the same source from which Rs 3000/- are proposed to be sanctioned. I request you to be so good as to obtain the sanction of Government to this item of expenditure.

4. Early orders of Government may also be issued placing Mr. Rangaswami on special duty and permitting him free movement to and from Mysore for the Village Panchayet Court and to other places in connection with the preparation of the films.

Yours sincerely,

A. Krishna Rao

Bangalore,

5-9-1929.

Dear Sir,

I am in receipt of your kind L.C. No. C.412/29-30 of the 30th ultimo.

As instructed by you, I have taken all necessary action to get some models prepared. I have placed orders for the few interesting photographs of some village improvement work. I have also ordered for some half-tone blocks in this connection. A few wall-posters are also being prepared.

The cost for photos, blocks, wall-posters models etc., will come to Rs 1750/-. Kindly instruct me as to whom I should send these bills for payment, after the work is over. I am anxious to hear about the procedure, as I have committed myself to these items of expenditure.

As personally represented, the cost of production of 2400 ft. film on rural development will be about Rs 1000/-. Kindly advise me if I have to proceed with the work, in which case, I have to pay special attention at least for a fortnight in assisting the film producer. I have to take him to Malavalli to take photos about sufferings of lepers etc. and to one or two villages in Chickballapur Taluk to take some photos of Village Improvement work. This means that I have to leave my jurisdiction for which I should get general permission. Please intimate to me as to what I should do further in this connection. To enable me to get T.A. etc., kindly treat me as Officer on special duty.

I may say that expenses for decoration and other contingencies will amount to Rs 250/-. Thus, so far, as my work is concerned, I will adjust within the allotted amount. Perhaps, this leaves a balance of Rs 500/- out of Rs 3500/- sanctioned by the Government and this may be utilised for other expenses required. But, I am afraid, a special reference will have to be made for expenses for shed etc.

So, I would request you to get me general permission to

travel beyond my jurisdiction, whenever necessary, in connection with production of the film. There will be only 3 or 4 occasions utmost. But in arranging for the Court, I may have to go to Mysore once or twice. Further, kindly write to me as to when you expect me at Mysore.

I request you to leave an impreat of Rs 500/- with me to enable me to make cash payments for contingencies, sundry expenses. This is absolutely necessary, and hence kindly make immediate arrangements for this amount to be left with me and duly to be accounted for later.

I understand you have been transferred and if so kindly write to me as to whom I should address further.

Thanking you for a reply,

Yours sincerely,

Sd/- T. Rangaswami.
